Whereas John Pokrivchak, as a former PEA President, promoted the idea of involving the members of the PEA in community involvement; and

Whereas John selected the NORWESCAP Thanksgiving Food Drive as the vehicle for this community involvement; and

Whereas John organized the members of the PEA to contribute food and money to the NORWESCAP Food Bank over the past ten years; and

Whereas John has raised thousands of dollars for the poor and hungry in our community through the NORWESCAP Food Drive; and

Whereas John is affectionately known within the Phillipsburg School District as the 'Food Guy';

Therefore be it resolved

that from henceforth the 'PEA Philanthropic Fund' be known as the 'PEA/John Pokrivchak Philanthropic Fund' to honor the work of John Pokrivchak for the students, poor and hungry of the town of Phillipsburg.

Authorized this day by the Executive Committee of the Phillipsburg Education Association.
